FLIPANY

FLIPANY's mission is to advance health equity through healthy meals, nutrition education, mentored physical activities, and wellness initiatives.

Our work will be finished when every child has the opportunity to live a healthy life no matter where they live.

FLIPANY's approach to nutrition security recognizes that structural barriers and inequities make it hard for many Americans to maintain an active, healthy life. Therefore, our efforts emphasize equity to ensure all Americans have access to the nutrition they need. We serve kids, families, and other members of the community, including seniors, by collaborating with community centers, schools, companies, after-school programs, parks, and social service agencies.

Please join us as we once again team up with some of South Florida's most acclaimed chefs at our 14th Annual Chefs Up Front Dinner & Silent Auction in West Palm Beach.

FLIPANY

Food insecurity remains a significant issue in South Florida, affecting children, families, and seniors alike. Many Floridians struggle to access nutritious meals regularly, leading to various health concerns and hindering overall well-being. Recent information from Feeding Florida indicates over 2.2 million Floridians are food insecure and 660,000 are children.

Implementing nutrition education programs and providing access to free healthy meals has a profound impact on the lives of these Floridians. Education empowers individuals to make informed choices about their diets, promoting healthier eating habits that can alleviate food insecurity's detrimental effects. Additionally, free health meals ensure that vulnerable populations receive essential nutrients, supporting their physical and mental health while reducing the financial burden associated with accessing nutritious food.

By supporting FLIPANY you are not only addressing both the knowledge gap and the immediate need for nourishment, you are also supporting initiatives that help break the cycle of food insecurity and improve the quality of life for countless individuals in South Florida.

Join us at Chefs Up Front – your support will help make a difference in the lives of the children, families and seniors we serve in South Florida.
