2024 Silent Auction
Donation Packet

Dear Potential Donor,

I hope this message finds you well. As we gear up for FLIPANY's annual Chefs Up Front fundraiser, we're reaching out to esteemed partners like yourselves to contribute to our silent auction, an integral part of our event.

Given your company's connection to the culinary world and the discerning foodie community, we believe your generous donation would not only enhance our silent auction but also benefit your brand by reaching an audience passionate about dining experiences.

[We are requesting a donation from you/your organization for auction and raffle items of value: gift certificates, experience vouchers, and physical items or services that represent your business.](#)

The funds raised from the silent auction will directly support FLIPANY's mission of providing healthy meals and education to children and seniors in our community. By participating, you'll not only be making a tangible difference in the lives of those we serve but also gaining valuable exposure to a targeted audience of food enthusiasts who frequent restaurants and foodie events like Chefs Up Front.

Your donation will be prominently featured at our event, providing excellent visibility and recognition among our guests and supporters. Additionally, your contribution will be acknowledged through our event promotions, social media channels, and website, further amplifying your brand's reach and impact.

We truly appreciate your consideration of this request and would be honored to have your support in making Chefs Up Front a memorable and impactful event. If you have any questions or would like to discuss this opportunity further, please don't hesitate to reach out.

Thank you for your commitment to our cause and for helping us create healthier communities, one meal at a time.

Feel free to reach out one of our team members at Chefsupfront@flipany.org.
