# SPONSORSHIP OPPORTUNITIES

**CHEFS UP FRONT** is FLIPANY's signature fundraising event — and trust us, this is not your average tasting. Imagine sitting down to a private chef's table where a renowned local chef cooks an exclusive five-course meal just for your table of ten, right before your eyes.

Every course is a surprise, every menu is uniquely crafted by the chef, and every conversation is sparked by the magic happening in front of you.

The evening kicks off with a lively reception and features a silent auction, making it a full night of incredible food, great company, and genuine purpose.

Whether you're a foodie chasing your next unforgettable meal or someone who believes every child and senior deserves access to good nutrition, this is the event that feeds both your soul and your community.

FLIPANY recognizes that many Americans struggle to maintain an active, healthy life. Our programs are dedicated to expanding access to nutritious foods, teaching lifelong wellness skills, and creating engaging physical activity programs for all ages.

We don't work alone. Our partners – schools, community centers, and friends

like you – help us reach and provide for those in need.

We invite you to join us as we once again team up with some of South Florida's most acclaimed chefs for our 15TH ANNUAL CHEFS UP FRONT DINNER & SILENT AUCTION in Fort Lauderdale.
